

Registration & Tuition Agreement for
BeforeCare, KinderCare, & AfterCare

Please fill one form out for each child

We ask that each family enrolling in one of our programs commit for the entire school year. For that reason, we require a \$75 refundable registration fee per child for all KinderCare & AfterCare programs (whether part-time or full-time) and a \$50 refundable registration fee for BeforeCare (whether part-time or not). At the end of the school year, all families who have remained in the program for the entire school year will be refunded in full (minus any tuition owed) by deducting the amount paid in registration fees from the final month's tuition payment.

I (print name) _____ would like to enroll (print child's name)
