**Mill Falls Charter School  
2019 Parent/Guardian Understanding Agreement**

**Parents/guardians enrolling their children in the Mill Falls Charter School 2019/20 Lottery are expected to understand and embrace the school's Montessori educational philosophy and methods. This includes parents' commitment to working with their child, her/his teacher and the School to support student success.**

**For your application to be considered complete, we require that you indicate your understanding of the following information about Mill Falls Charter School (MFCS) by checking the required boxes and signing the form. Thank you!**

- MFCS students are taught in mixed age and grade classrooms. MFCS aims to keep children with the same teachers/learning community for multiple years. Please note, the MFCS kindergarten classroom is a single grade classroom.
- At MFCS, students' academic and emotional/social growth are nurtured with a focus on educating the 'whole child'. Children are taught grace, courtesy, respect for diversity, respect for their learning community and for the community at large.
- MFCS children most often receive instruction individually or in small student groups.
- At MFCS, an important part of your child's success will come from parental involvement with our school. Your involvement can take many forms, and MFCS will work together with you to determine the most appropriate ways for you to participate.
- As public school students, MFCS students will participate in state testing as required by law. Additionally, MFCS educators will utilize other forms of individualized assessment aligned with the Montessori method to track our students' academic progress, as well as their social/emotional growth.
- All MFCS students are taught to practice peaceful conflict resolution and are expected to model grace, courtesy and respect toward fellow students and staff.
- MFCS reports directly to the NH State Department of Education. Please note, the School is not part of the Manchester School District.
- MFCS will generally follow the Manchester School District calendar regarding significant school vacations. However, there may be occasional times/days that differ, as needed, for programming.
- The Manchester School District will provide transportation to and from MFCS *only* for Manchester residents though there are some restrictions related to Kinder students. Non-Manchester residents are responsible for their own transportation to and from the School.
