Ready to Zoom!

Find a quiet spot with bright light and good internet.

Ask your parents to help you open the Zoom meeting link.

Join with VIDEO and AUDIO. Use headphones if you can!

In the Zoom meeting!

Mute your microphone when you’re not talking, this way everyone can hear the person who is talking without echo!

Be patient! It’s important to wait your turn to talk, otherwise no one will be able to hear anything!

Listen carefully for directions, using headphones helps you focus and makes it easier to hear your teachers and friends.
